VETERANS DAY

In 1926 Armistice Day, celebrated on November 11 was officially recognized in the United States. It commemorated the end of World War I. In 1954 it was officially renamed as Veterans Day to honor all veterans. Many of us gathered here today are veterans of military service. With Veterans Day having just passed a few days ago, it seems only fitting to remember those Flaget students who died during military service and to remember them in our prayers sometime today.

The Flaget Museum is as always accepting donations for display. Sports programs, Landmark newspapers, and other vintage items are always welcomed. Bring your items to any luncheon, drop them off at the museum, or call me if you need them picked up. If you have not stopped by the museum you might want to schedule a visit. The museum is open most every weekday between the hours of 8:30 am and about 4:00 pm.
